## Neck size $\cdots$ Approx. 46 cm (including clasps)

Tools $\cdots$ Scissors / Ruler / Needle Nose Pliere
1)Note:Thread tails are shown in different colors to make them easy to follow.

Make 10 pcs of motif part A.
Use 25 cm of nylon thread and string 10 pcs of motif part A with Half TILA Beads as in the picture below.

## Points

- Close oval jump rings as tightly as possible while you open and close them.
- Please turn all upper surfaces (curved surface) of Half TILA Beads upward correctly while you string beads and motif parts so that finished shape will be neatly.

2)Make 2 pcs of motif part B.

Use 30 cm of nylon thread and make 2 pcs of motif part in the similar way as 1) and add stringing an acrylic stone( 8 mm )in the center of the moti fpart as in the picture below.

3)Make 1 pc of motif part C.

Use 30 cm of nylon thread and make a motif part in the similar way as 2 ) and add stringing an acrylic stone $(4 \mathrm{~mm})$ on one end of this motif part as in the picture below.

4)It is done after connecting motif parts A,B,C and metal parts(link connectors, a filigree and a clasp)with large $(0.8 \times 4 \times 6 \mathrm{~mm})$ and small $(0.8 \times 3 \times 4 \mathrm{~mm})$ oval jump rings as in the picture below.
