

Pinecone Earrings

Materials List:

- 2-6mm Rondelle, fire polish, anything (< 6mm wide)
- 10g package of SuperDuos
- 4g Seed beads (recommend Miyuki rounds)
- 2 Earring hooks
- Bead thread, such as 6 lb Fireline

Cut about 1/2-3/4 yard of thread. String a 6mm bead, #11, 5 SD (SuperDuos), #11. Go back through 6mm bead. Tie off beginning end at any point.

Coming out of the 6mm, string 5 #11, go through SD. String SD, go through SD. Repeat across. String 5 #11, go up and through 6mm. Go through next 4 #11.

String 4 #11, go through next SD. String #11, SD, #11, go through next SD. String a SD, go through SD. String #11, SD, #11, go through next SD. String 4 #11, go up through 2nd #11. Weave through to last #11. String 9 #11, make a loop on the 5th #11. String 4 #11, go straight down through all #11 (see diagram), come out at 2nd from end.

String 4 #11 and a SD. Go through next SD. String #11, SD, #11, go through next SD. Do this 2 times. String a SD and 4 #11, go up through 2nd #11 and up through earring loop to reinforce.

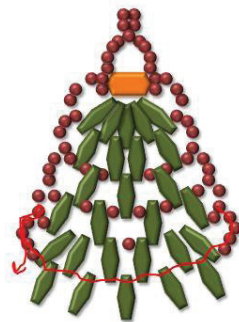

String 3 #11 and 2 SD, go through next SD. String a SD, #11, SD, go through next SD. String 2 SD, go through next SD. String 3 #11, go up through the 2nd #11 and around, coming out of the 2nd to last #11.

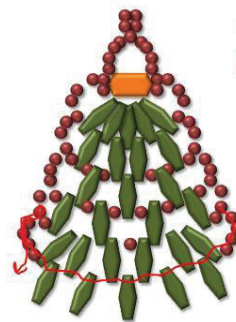

NOTE: If the thread passes around are getting too tight, use a #11 needle or just go over the first #11 to go 'up and around' and back down the last 11 you put on (that step will be coming up next anyway, if you are unsure).

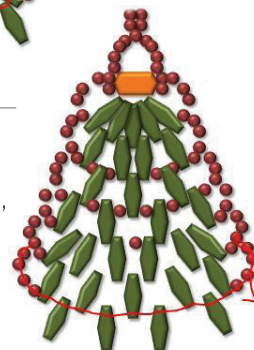

String 4 #11 and go through the next SD. String a SD in between each SD. String 4 #11, go through the 2nd bead up and back over it to go downward.

String 4 #11 and go through the next SD. String a SD in between each SD. String 4 #11, go through the 2nd bead up and back over it to go downward.
