(end of weaving)

1) String 1x T11/0, 1x MD, 1x M8/0, 1x MD, 1x T11/0 and 1x NB (narrow end). Repeat three times.

2) Tie the beads together with a double knot.

3) Pass through NB, T11/0 and MD and go back through upper free hole of the same bead.

4) Add 2x NB (narrow end) and go through the free hole of the next MD.

5) Add 2x SD and go through the free hole of the next MD.

6) Steps 4) and 5) repeat three times.

7) Go through the next NB and go back through the free hole (wide end) of this bead.

8) Add 1x T11/0 and go through the free hole of the next SD.

9) Add 1x M8/0 and go through the free hole of the next SD.

10) String 1x T11/0, 1x M8/0 and 1x T11/0 and go through the free hole (wide end) of NB (in the top row).

11) String 1x T11/0, 1x M8/0 and 1x T11/0 and go through the free hole of the next SD (in the bottom row).

12) Steps 10) and 11) repeat three times.

13) Turn the component around and string 1x T11/0 and go through the free holes of the next two NB (wide end).

14) Add T11/0 between each SD and NB in this row. Finish with a knot and stitch.

15) The main component is finished.

16) Tassel: string 1x M8/0 and 1x SD. Repeat five times.

17) Tighten the beads firmly together around the tassel.

18) Stitch several times through the tassel. This will fix the position of the beads.

19) Go through M8/0 and SD and pass through the upper free hole of the same SD.

20) String 1x T11/0, 1x MD and 1x T11/0 and go through the upper free hole of the next SD.

21) Step 20) repeat five times. Go through the first added MD and pass through the upper free hole of the next SD.

22) Add 1x T11/0 between each MD. Go through the first added T11/0 again.

23) Tighten the beads to closing the top of the tassel.

24) Between each T11/0 added in step 22) add one T11/0 and tighten.

25) String 5x T11/0 and go through T11/0 on the opposite side of the circle and create a loop.

26) Pass through the loop again.

27) Stitch through the tassel to the bottom of the component.

28) Pass through M8/0, add 1x T11/0 and go through the next M8/0.

29) Step 28) repeat five times.

30) Add T11/0 between two T11/0 in the previous row.

31) Step 30 repeat five times. Tie together firmly and finish with a knot and stitch.

32) Material for creating an earrings. Attach earwire and earrings with jump rings. Thread the jump rings into the M8/0 beads on the outer edge of the component (on the opposite sides).
