This is an even count peyote design which you will zip together once you have finished all 144 rows to form a ring (like a napkin ring). This ring will then slide over the tea light candle.

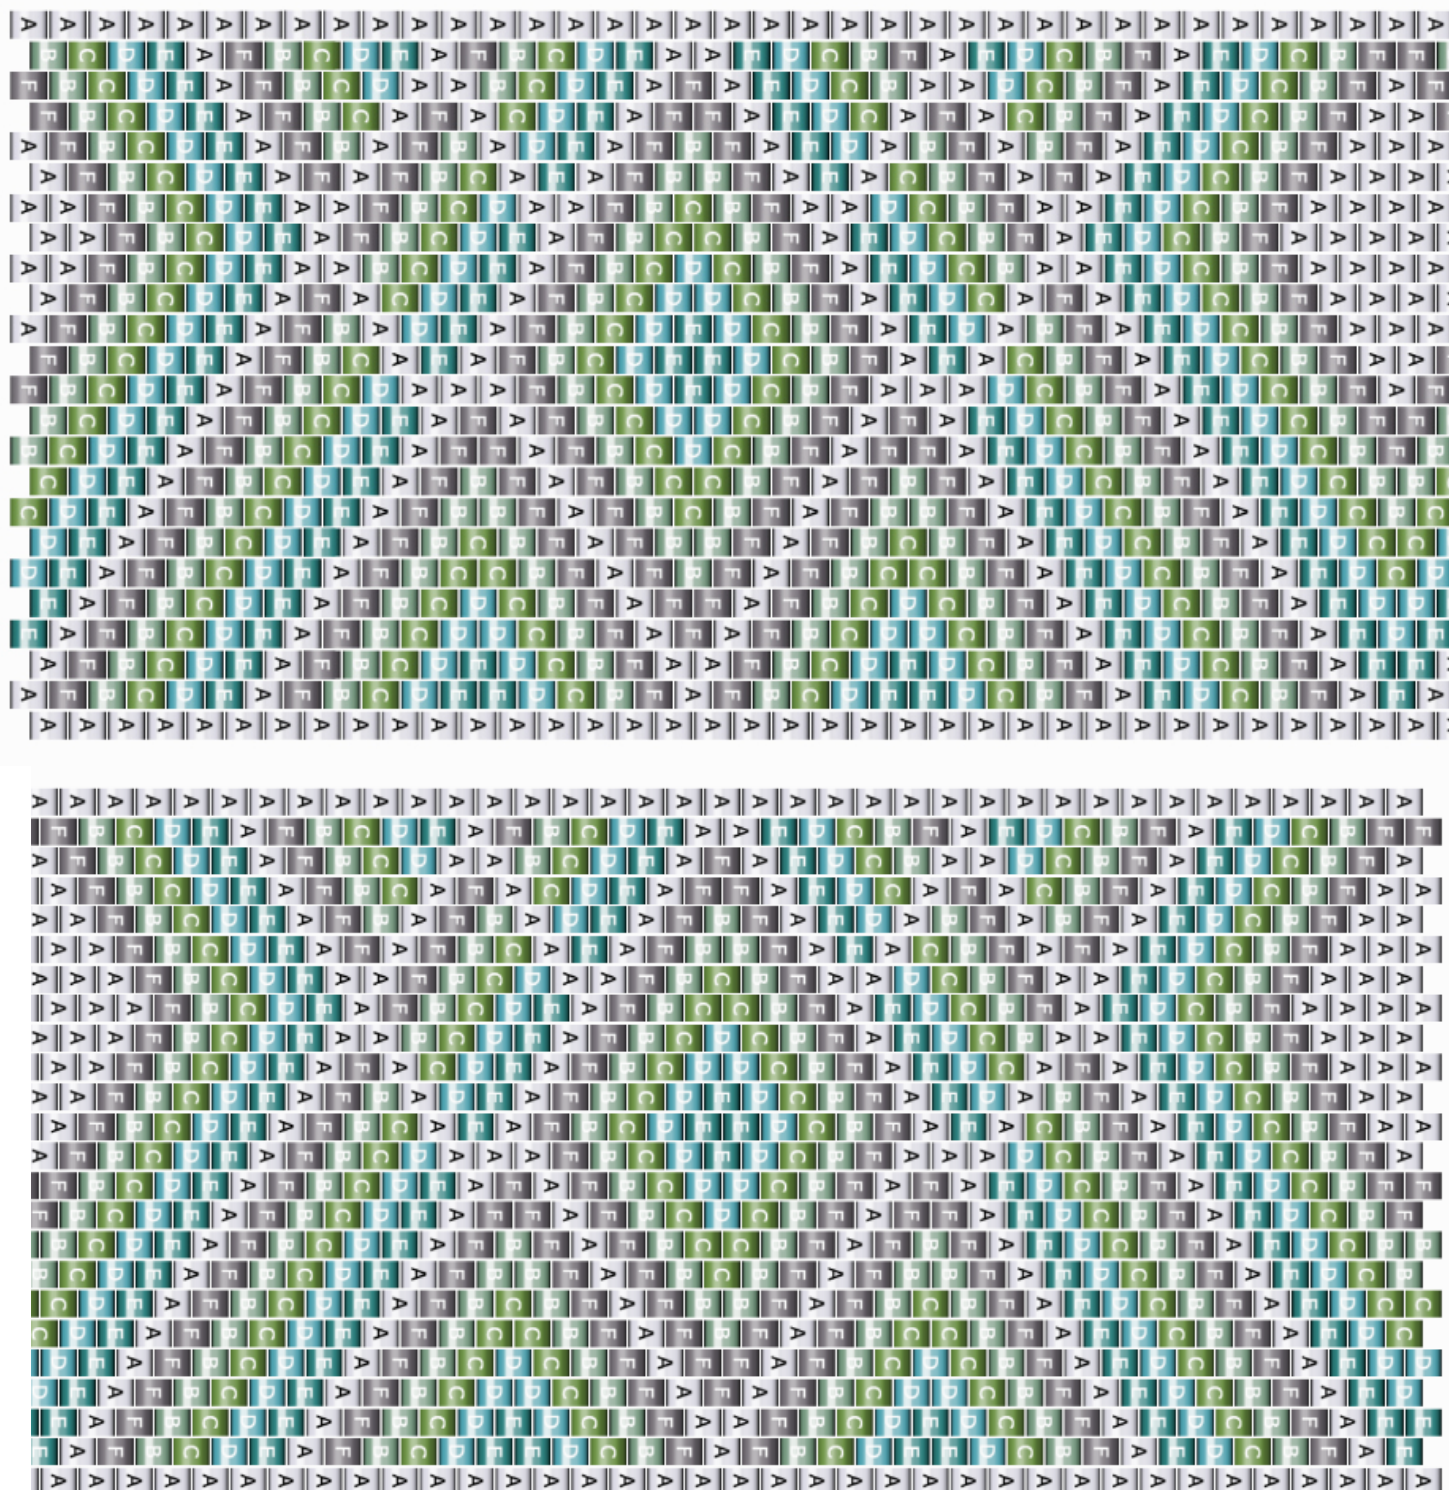

This has a loose finish to make it easy to slide the tea light candle in and out of the ring, this will make it easier to turn the tea light candle on and off.

Stitches Used

Peyote - an off-loom beading technique, it can be worked with either an even or odd number of beads per row.
